FOR IMMEDIATE RELEASE

***Cameron Communications and The Boy Scouts Of America:  
Hometown Service with American Tradition***

Lake Charles, LA – The Boy Scouts of America. A staple of American tradition, loyalty and independence, while striving to make the communities that we live in better.

From the famous popcorn sales and canned food drives to earning badges and camping trips, boys and men in every city in American have joined the organization known for developing independence, citizenship and community. The Calcasieu Area Boy Scouts provide these and other opportunities to more than 5,400 youth and adults in the Imperial Calcasieu parishes.

Again teaming up with the Boy Scouts of America, Cameron Communications is excited to donate to an organization that embraces youth, providing opportunities for growth and learning in a safe environment. This year's \$5,000 donation was presented to Kevin McMurrian, Scout Executive for the Calcasieu Area Council by Kristi Broussard, Marketing, Public Relations and Sales Supervisor at Cameron Communications.

“We all know someone who has been in, or has benefited from the Boy Scouts,” stated Broussard, “we’re excited to donate to this organization knowing that it will go to help defray costs to local boys so they can achieve what they may not otherwise experience, like going camping and attending workshops.”

From camping to charity work, tying knots to learning skills for the future, the Boy Scouts provide a one-of-a-kind experience for all boys across the United States.

Cameron Communications is Southwest Louisiana’s provider of Fiber technology, bringing Digital Cable, High-Speed Internet and Phone service to Calcasieu and Cameron Parishes.
