***Cameron Communications Hits The Court with
East Beauregard Basketball Camp***

Lake Charles, LA – When school lets out for the summer, most kids are thinking about time by the pool and sleeping in. But for the week of June 7-10, students of all ages in central Louisiana have the opportunity to hit the court and hone their basketball skills in an annual camp.

The East Beauregard Annual Basketball Camp is held every year in June, and this year it is sponsored by Cameron Communications. More than 75 students attended the camp last year, learning new skills, brushing up on old talents, and making new friends, all while fostering a love for the game. Students from all around East Beauregard are invited and encouraged to attend the annual event.

Cameron Communications donated \$500 towards this year's event. Jerry Deters, Public Relations Coordinator, presented the check to East Beauregard High School's Athletic Director and Boy's Basketball Coach Alan Reeves, and Tracie Bertrand, Girl's Basketball Coach.

Cameron Communications is Central Louisiana's provider of Fiber technology, bringing Digital Cable, High-Speed Internet and Phone service to areas of Vernon, Beauregard, Allen and Rapides Parishes.
