Cameron Communications Supports Finding a Cure

Carlyss, LA – Cameron Communications is proud to donate towards helping to find a cure for breast cancer.

Ethel Precht, local breast cancer survivor, has been coordinating a walk and other opportunities to raise awareness about breast cancer in the Lake Area for many years. This year, Cameron Communications is supporting her efforts with a \$500 donation towards the cause. Trina Johnson, Public Relations Coordinator with Cameron Communications, presented a \$500 sponsorship check to Ethel Precht. In addition to raising awareness about breast cancer, funds raised are used to help local breast cancer survivors with items not covered by insurance such as wigs, prosthesis, bras and other much needed items. The money raised directly benefits only residents of Calcasieu and Cameron Parishes.

Cameron Communications is Southwest Louisiana's provider of Fiber technology, bringing Digital Cable, High-Speed Internet and Phone service to areas of Cameron and Calcasieu Parishes.
