2010 Fur & Wildlife Festival Sponsored by Cameron Communications

Cameron, LA – It's tradition to residents in Cameron and Calcasieu parishes. Just after the beginning of the year, plan on heading down to Cameron for the Fur and Wildlife Festival, one of the best ways to begin 2010.

Cameron Communications is proud to be a sponsor of this festival, with a donation of \$5,000. The check was presented to the Fur and Wildlife Festival by George Mack, President of Cameron Communications, and Trina Johnson, Public Relations Coordinator. Cameron Communications would like to encourage everyone to bundle up and head to Cameron for a weekend of great outdoor activities, celebrating the wildlife and great outdoors that Cameron Parish is famous for.

You're in for a treat with trap shooting, nutria skinning contests, oyster shucking contests, carnival rides, live music and more! Visit www.lafurandwildlifefestival.com for a complete schedule of events.

Cameron Communications is Cameron Parish's provider of Fiber technology, bringing Digital Cable, High-Speed Internet and Phone service to almost all aspects of the parish. For more information on Cameron Communications' donations and sponsorship policies, and to submit your own letter of sponsorship, please visit www.camtel.com/Newsroom.
