***Cameron Communications Lights up Moss Bluff
for the 4th of July Weekend***

Cameron Communications lights up Moss Bluff homes in preparation for the 4th of July weekend with its Fiber-To-The-Home technology. Cameron Communications Installer, Brian Broussard and Moss Bluff Store Manager, Jason LeBlanc were on hand to connect the first customer on North Michael in Pentangeli Square.

“Using state-of-the-art technology, our Fiber-To-The-Home expansion project in Moss Bluff will bring over 160 crystal-clear digital channels, HD TV, Video-on-Demand, unlimited Internet speeds and robust phone service right into your home” said Cameron Communications President, George Mack.

Orders are being taken and scheduled installations have already begun for customers living in Coffey Pines, Orleans Run, Pentangeli Square and Christy Drive. Residents in those areas will be able to bundle TV, High-Speed Internet and Phone services on one bill from one local service provider. In July, promotional offers of up to three free months of service is being offered to these customers as an incentive for switching their services.

Moss Bluff residents can call 855-2009 for any additional information regarding service.

###

About Cameron Communications:

Now celebrating over 80 years of service, Cameron Communications provides an array of state-of-the-art telecommunications and entertainment services to homes and businesses in rural Southwest and Central Louisiana, and Southeast Texas. Locally owned and operated by its founding family, Cameron Communications has diversified from a rural telephone company to a full-fledged broadband service provider offering Cable TV and High-Speed Internet and an array of Advanced Services. In all the markets it serves, Cameron Communications strives to be a vital and integral part of each community and a good neighbor. For more information, call 855-2009 or visit www.camtel.com
