FOR IMMEDIATE RELEASE

***Cameron Communications; Construction is Underway!***

Moss Bluff, LA – The time is here! Cameron Communications has started construction and is bringing Fiber-to-the-Home technology to you.

With the help of a \$16.8M grant from the Federal Government, Cameron Communications has started an aggressive timeline to get every customer enjoying the benefits of the 100% buried fiber system. When asked what this means for Moss Bluff, General Manager George Mack stated, “Fiber brings it all! More than 190 channels of Digital Cable, High-Speed Internet up to 10.0Mbps and home phone service with on-screen caller ID—all at one low bundled price!”

Visit [www.camtel.com](http://www.camtel.com) to learn more about Cameron Communications and the services available for Moss Bluff. From the homepage, visitors can click on “Broadband Award” for more information on the Broadband Stimulus grant, including an opportunity to download a copy of Cameron Communications’ Fiber-To-The-Home brochure.

Cameron Communications is Southwest Louisiana’s provider of Fiber technology, bringing Digital Cable, High-Speed Internet and Phone service to Calcasieu and Cameron Parishes. Moss Bluff customers, to order your service today, call 855-2009 or visit [www.camtel.com/getservice](http://www.camtel.com/getservice)
