History Made with Plainview and Cameron Communications

Glenmora, LA – History was made for the first time on March 5 for Plainview High School. The Plainview Lady Hornets Basketball team traveled to Southern University in Hammond, Louisiana, for the state playoffs, only to be crowned Class C State Champions. This is the first state championship in girl's basketball for the school, but they're no stranger to the playoffs, having been in 1969, 1971, 1995 and 2005.

The season held many additional accolades for the Lady Hornets, as their coach, Coach Dustin Howard, was named Class C Coach of the Year and player Skylar Chenevert was named Class C Player of the Year.

After the championship game, Cameron Communications Public Relations Coordinator Jerry Deters was on hand to present Coach Dustin Howard and Plainview Principal Sonya Rasmussen with \$300 to assist in the purchase of championship rings for this historic win for Plainview High School.

Cameron Communications is proud to support the athletics of Plainview High School.
