Star Students Awarded at Vincent Settlement Elementary

Carlyss, LA – Going to school always has its benefits, but at Vincent Settlement Elementary, students who go over and above are recognized on a monthly basis.

A “Star Student” at Vincent Settlement Elementary is one student from each class that portrays good citizenship, discipline and a good attitude. These students, who are chosen monthly, may have gone over and above expectations on a particular project or assignment, or shown exemplary characteristics in the classroom. Star Students are awarded Star Student t-shirts, sponsored by Cameron Communications, so that the students can proudly show their award-winning personality and determination to succeed to the world.

Trina Johnson, Public Relations Coordinator for Cameron Communications, presented this year’s Star Student shirts to the school, represented by Ms. Paulette Szymanski, teacher at Vincent Settlement Elementary. Said Johnson, “Cameron Communications is especially proud to support our educators in their effort to reward children for exemplary behavior! Especially in these formative years, teachers and the environment they’re exposed to at school make such a significant impact on a child’s life. These “Star Student” characteristics, when rewarded and nurtured, can aid in developing fantastic leaders of the community and we are honored to be a part of that!”

Johnson also had the Star Student t-shirts “modeled” by Vincent Settlement Elementary students Drake Blanchard, Addy Tremie and Reece Fuselier.
