The West Cal Arena: A Venue Known Both Far and Near

Sulphur, LA – From horses and broncos to office picnics and concerts, the West Cal Arena in Sulphur has been putting Sulphur, and other area residents, in touch with people from all over the United States.

Adrian Moreno, the Executive Director of the West Cal Arena has a packed house every weekend, hosting myriads of events, from corporate picnics and events to 4-H clubs and the Louisiana Old Timers Team Roping. With their open-air style facility with permanent seating for 1,800 people, you can bring your entire family, and then some! Providing a local venue for youth, high school and national equestrian and rodeo events is what the West Cal Arena is best known for.

Cameron Communications is pleased to again be a corporate sponsor of the West Cal Arena. With a donation of \$2,500 to the Arena, Trina Johnson, Public Relations Coordinator for Cameron Communications said, “The great thing about the West Cal Arena is that it provides us a place to go right in our own backyard for local events. The multi-functionality of this building is just another great reason to support it. We even hold our corporate picnics here!”
